## The News in Brief

**PANMUNJOM—AND MOTHER'S DAY**—For thousands of thousands of American mothers, the greatest wish that would be granted this Mother's Day would be an end to the war in Korea. And the prisoner exchange agreement reached at Panmunjom has led to renewed hope that a full truce is near. There

are real reasons, of course, to doubt the complete good faith of the Reds. Returning allied prisoners were the Reds as a snail in transiting great supplies of military equipment to the front. The first price were not the most sick and wounded, as had been agreed on, and, disturbingly, men who had been some glowingly of Communists and the Communists. The Communists' "peace offensive" still is to match deeds with words because it can be accepted at face value. For the sake of mothers everywhere—mother of boys in Korea of boys soon slated to go if the continues—all of us pray that the time the talks at Panmunjom destined to bring peace.

## Council Names McLaughlin For City Engineer's Post

The Albany City Council today has named a new City Engineer to succeed Albert Brinckman whose resignation became effective April 30.

He is H. N. McLaughlin, who has been an engineer with the State Department of Highways for 30 years.

The Council directed City Atty. Edward R. Plotner to draw up the necessary resolution for employment of the new engineer at a salary of \$600 per month plus a \$40 monthly car allowance. He will work part time and for half salary for about three weeks until he completes his other business affairs.

In other action, the Council implied an answer to a lawsuit explaining why the city is not obligated to pay for portion of a lawn put in on the Key Route Blvd. Memorial Lane.

The suit, filed in Berkeley-Albany Judicial Court, is in answer to a claim of John D. Pleich Jr. of Flowerland Nursery seeking \$260 for providing material and planting one block of lawn according to a contract with the Albany Recreation Department. Pleich was to put in two additional blocks but when funds were unavailable a citizens' committee completed the work.

The City Attorney instructed the Recreation Department the could not pay Pleich because they had "circumvented" the City Charter in contracting for each of the three blocks separately in an effort to keep the total below \$300—the figure at which the Council is to call for bids on any city work.

In a letter to the Council, the Albany Hill Improvement Assn., Inc., requested additional time for filing an application to develop the hill for a 300-home subdivision.

The association explained that expenses in preparing a formal application and because EBMUD proposal to construct a reservoir on the hill "our efforts could be entirely unnecessary."

The Council held over action for one week and filed a petition containing 333 signatures urging the Council to adopt a resolution of policy concerning use of the hill.

## Superior Court to Decide Police Issue

### Mothers Are Different in '53

In some respects the mothers of today are vastly different from those of two or three generations ago. The principal difference lies in their outlook.

The modern mother is not a stay-at-home. Her world does not begin at the front door and end at the back door. This does not mean that her family and her home are any less important to her than her mother's or grandmother's families were to them.

It is simply that women's interests have broadened. They are more alert to the fact that by taking an active part in educational and civic affairs and even politics makes for a better community and a better world for their children. Many women today are active in business not only as jobholders but as proprietors.

But their wider activities and broader outlook have not taken from them the essential tenderness and affection that marks the relationship between mother and family. Her thoughts still center primarily around her loved ones. And her sacrifices for the family are no less a part of the modern mother than they were for the mothers of long ago.

Certainly the mother of today is richly deserving of the honor bestowed on her on Mother's Day. In fact, she is so deserving that the family might well consider being more thoughtful of her every day of the year.

## Annual Poppy Sales on May 23 Will Benefit Disabled Veterans

### PROCLAMATION

All citizens of Albany were urged to wear a poppy in tribute to America's war dead on Saturday, May 23, in a proclamation issued today by Mayor Lewis M. Howell, setting aside the day as "Poppy Day."

### PROCLAMATION

"Whereas, young men of the City of Albany are once more serving in the defense of our Country in the Korean conflict, and are taking their places alongside those who served in other wars of this century, and

"Whereas, the memory of those citizens who have made the supreme sacrifice should live eternally in our hearts,

"Therefore, I, Lewis M. Howell, Mayor of the City of Albany, do hereby proclaim Saturday, May 23rd, 1953, to be Poppy Day in the City of Albany and I urge all citizens to participate in the observance thereof."

LEWIS M. HOWELL,  
Mayor of the City of Albany.

Rev. John H. Blackledge of St. Alban's Episcopal Church officiating. Committal services will be at the family plot in Oak Hill Cemetery at Lonaconing.

Poppy Day will be observed in Albany and throughout most of the nation on May 23, the Saturday before Memorial Day, it was announced today by Mrs. Fay, poppy chairman of Albany Unit No. 292, American Legion Auxiliary.

On that day everyone in the city will be asked to wear a memorial poppy in honor of the dead of two World Wars and the Korean conflict.

The crepe paper poppies, made by disabled veterans of three wars, will be distributed on the streets throughout the day by volunteer workers from the Legion Auxiliary. The flowers will be replicas of the wild poppies which grew "between the crosses, row on row," in World War I battle cemeteries in France and Flanders, thus becoming the memorial flower for America's war dead.

In exchange for the poppies, the Auxiliary will accept contributions for its work for disabled veterans and for needy children of veterans, which is largely supported by these contributions.

## High School PTA Sets Final Meet

On the musical program will be the Albany High School choir under the direction of Stephen Lehmer. They will give a preview of some of the songs they will sing at the Spring Concert scheduled for May 28 at the Albany High School Auditorium.

Soloist will be Fay Camm, who just received a superior rating in the vocal solo division of the California Music Educators Festival, Northern Division, held in Berkeley last week.

Following the brief business session and program refreshments will be served in the cafeteria by Mrs. Osmer Lindsay and Mrs. Reynold Foss and Committee. Decorations are in charge of Mrs. William Kerr assisted by Mrs. Don Young.

## Rummage Sale

Rowan Branch of Children's Hospital is holding a rummage sale Saturday from 9 a.m. to 5 p.m. at 2998 Adeline St., Berkeley.

## Chief Defies Council's Ruling

The controversial question of whether Vernon Freeman will receive the permanent rank as Albany Police Inspector or retain his present rank of sergeant today has been sent to the Alameda County Superior Court for decision.

The Albany City Council at a special hearing Thursday night over-stepped a legal ruling of City Atty. Edward R. Plotner and approved a resolution giving Freeman permanent status as inspector of the department. The vote was 4-1 with Councilwoman Mrs. Kathie Zahn voting no.

The action also, in effect, overruled an order of Police Chief Stanley Williams demoting Freeman to the rank of sergeant.

Adoption of the resolution by the Council was construed by Plotner as a vote of "no confidence" in himself. He had just completed 10 hours of research in preparing a four-page opinion which stated "the Council has no authority to give the probationary inspector permanent rank."

At the request of Plotner, the Council then unanimously approved a motion directing him to take the necessary steps to have the controversy settled by an action of declaratory of the Superior Court.

Chief Williams defied the Council's Thursday night ruling Friday morning when he stripped Freeman of his inspector's rank and assigned him as sergeant on the day watch.

In a letter handed to Freeman, Williams stated, "You are hereby notified that as of this date you are assigned as sergeant of the Police Department on day watch from 8 a.m. to 4 p.m. With this notice you are handed your badge of sergeant of police in this department. You are to wear the uniform of the rank of sergeant of police. You will turn in your badge of inspector of police at this time."

Freeman made no comment to the chief and returned a short time later in sergeant's uniform.

Plotner explained to the Council Thursday night that in his opinion an amendment to the City Charter in 1934, which provided for a civil service system in Albany, removed the power to make appointments in the Police Department from the Council and vested it in the Civil Service Board. He made it clear to the Council that the police chief was not required to explain his actions to the Council and added, that according to civil service rules, if the chief had remained silent, the probationary inspector would have automatically been deemed to be unsatisfactory and he would have reverted to his previous rank.

Mayor Lewis Howell, Councilwoman William Donahue and Councilwoman Zahn said that they had received threatening phone calls from someone who warned "to keep your mouth shut on this issue."

Mayor Howell sounded a verbal warning that "if a Councilman receives one more threatening call, I will find it necessary to declare a state of emergency in this city." Under provisions of the City Charter the Mayor can, in case of riot, or insurrection or extraordinary emergency, assume general control of the city government.

**TV NEWS**

By MILT BLANCHARD

Despite the popularity of the long variety shows, this year may see the end of the 60 and 90 minute programs, or at least a drastic reduction in their numbers. The reason? Money! One of the few that will remain, the Sunday night "Comedy Hour" may get R. Skelton as one of its rotating stars, since Red's own show is being dropped by the sponsor.

Things we hear about television: that today's TV station transmitter contains as many as 20,000 separate parts, including about six miles of wire and some 400 or so tubes... that Fred Allen has been signed for a new TV show starting in the fall, built around a quiz formula... that four video networks are bidding in an attempt to land former President Truman as a news commentator!

Miami, Florida, is making progress in its bid to become a TV center, with Arthur Godfrey and his troupe turning the swank Kenilworth Hotel into what amounted to a complete indoor-outdoor video station recently. Godfrey was so anxious to prove that telecasts could originate from this area that he put a reported \$40,000 of his own money into the venture. That's an expensive experiment! You're not gambling when you call on us for TV service. We have the parts, the equipment and the experience to assure you economy and reliability in service at SKIP'S RADIO & TELEVISION SERVICE, 1553 Solano Ave. Phone Landscape 5-4313.

**This is a True Case History**

**I SAVED \$116.86 ON THE CAR I BOUGHT**

"I made over a 50% down payment on a late-model car. I was told it would cost me \$287.60 to insure the car and finance the balance of \$700.00. Lucky for me I'd talked to a State Farm agent first, because I used the Bank Plan instead and paid an insurance and financing charge of only \$140.74. I saved \$116.86." (One of many actual cases.)

Many People Assume  
Finance Rates Are Standard  
**THEY ARE NOT!**

The Bank Plan offers you two proven money-saving methods. Lowest financing through a nearby bank and low-cost preferred-risk insurance rates. Get your own figures on the cost of the car you want and COMPARE them with Bank Plan costs FIRST! Call or see your State Farm agent BEFORE you buy.

**Good Used Cars come to Ford Dealers**  
(and so should you)

**What's happening is**  
that lots and lots of people want new '53 Fords. So day after day they keep turning in cars so good as to make a Scotchman shudder! (Some of these cars come close to being as good as new!)

**And would you believe it?**

Most of these cars have had only one owner—a careful owner (though we admit, an old lady who never had a speeding ticket!) Lots of these cars are just one or two year old babies. (Probably their owners were waiting 'til they could get a new Ford!)

**Sure, we Ford Dealers get some jalopies** (who doesn't?) But we don't keep 'em. If used cars don't come up to our exacting A-1 standards, we just won't sell them to you. Come in and see—there are no jalopies here.

**So the moral is:**  
If you want a good used car, come where good used cars come. To your Ford Dealer's

**And if you want one right now**  
—and want to know "how much"—look for this sign on the classified ad pages of this newspaper today.

### HOME OF DISTINCTION

WE ARE proud to offer one of the most charming homes on the market in El Cerrito's best district. Architecturally designed, this modern two year old stucco and rustic will make the "Joneses" try to keep up with its proud owner. Located in a neighborhood of fine homes the view from the picture windows of the living room and dining room overlooks the park in the center of the divided street as well as the hills and the entire bay. The 1624 living room has an alcove with flagstone floor at one end, framed by a planter box, and the artistic flagstone fireplace and mantle of large dimensions lends an air of distinction to the living room. The large separate dining room is separated from the living room by an unusual flagstone planter box, backed by a mirror and illuminated at night by a red light shining thru a prism type fixture. The kitchen, on the sunny side of the house, has eating space, is wired for an electric stove, has Hotpoint cabinets and sink, broom closet and an electric fan. The large master bedroom has a view, lots of windows and large wardrobe closets. There is another nice bedroom with "walk-in" closet on this level and the third bedroom with 2 1/2 bath is on the level entrance. The large bath has pink and black tile wainscoting and a full tile stall shower. Other fine appointments include hardwood cove base on the floors, central heat, steel sash, garage with plenty of room for work bench, an extra storage room for garden tools and too many other extras to mention. Eves. Mrs. Jamieson.

## Communicated

A letter of thanks to the Albany City Council and the good citizens of Albany.

The members of the Albany Pre-School Mothers Club wish to express sincere appreciation to the Albany City Council for its material aid and moral support in the recent expansion program of the Albany Pre-School.

Working to enlarge facilities in order to accommodate an increase in enrollment, we parents of the pre-school have contributed over 2000 hours of labor at the school and \$1200 of our Pre-School Building Fund. All of the improvements we have made and all the new equipment furnished become the property of the Albany Recreation Department.

While justly proud of our own accomplishments we also feel deep gratitude to the city, both for its share in our recent project and for its original initiative in organizing the Albany Pre-School. Many hundreds of Albany families have attended the school and children and parents alike have been richly benefited by its program. Perhaps our greatest satisfaction is the knowledge that through our shared experience and mutual cooperation we have benefited our children and served our community.

Again we thank you, MRS. MAY LORD, President, Albany Pre-School Mothers Club.

HEISTA CLUB—The election of officers will highlight a meeting of the Heista Club to be held at 8 p.m. Monday at the home of Mrs. Loreli Bonington, 419 Liberty St., El Cerrito. Co-hostess is Gudveig Gordon Britland.
